

Newscarrier Update: A Season of Gratitude

Latest Update — February 2026

A personal message from your newspaper carrier, James Bunker

Good Morning,

Dear Valued Customer,

As another season comes to a close, I wanted to personally thank you for allowing me to be part of your mornings once again. Delivering your newspapers this past season has truly been a pleasure. From the quiet streets before sunrise to the familiar rhythm of each route, it has been a rewarding experience I will genuinely miss.

I especially want to extend my heartfelt thanks for the wonderful holiday gifts and generous tips many of you shared. Your kindness and thoughtfulness were deeply appreciated and never taken for granted. Gestures like these are what make community routes feel personal and meaningful.

After **March 1st, 2026**, I will be stepping away from newspaper delivery to return full-time to my lawn care and seasonal outdoor service work for the spring and summer. This is the time of year when that business requires my full attention and long hours, but I will truly miss throwing the papers and being part of your daily routine.

If you would like to stay connected or learn more about my services and projects, please visit my website which contains my full business newsletter and updates:

Thank you again for your support, your generosity, and for being such great customers. It has been an honor serving your route.

Warm regards,

James Bunker
